After living decades as a casual Christian . . .

. . . Christine Trimpe picked up her Bible, and **Jesus transformed her life**. He gave her a new joy, a new calling, and a new passion for sharing **freedom** in Him.

Christine's journey to joy resulted in a 100-pound weight loss.

What is weighing down the women you serve? What holds them back? They can be free in Christ, too!

Christine invites your audience to experience, embrace, and exclaim the joy of the Lord **despite the weight of their circumstances**.

God's Word satisfies every craving—body, mind, and spirit!
